Dear Judge Hellerstein:

We represent the Plaintiff and the putative class in the above-referenced matter and write to the Court on behalf of and with the consent of all parties. The parties have agreed to mediate this matter before a private mediator on March 20 and 21, 2017. Thus, in order to facilitate settlement and avoid unnecessary litigation costs, the parties respectfully request an adjournment of all deadlines in the Amended Case Management Plan that was issued on September 8, 2016, as set forth with particularity in the attached proposed Second Amended Case Management Plan.

The parties are committed to trying to resolve this matter through mediation, and in good faith have therefore agreed to block out two consecutive days when they and the mediator can start early and continue working late, if necessary, in order to settle the matter, if at all possible. Although the parties attempted to find earlier mediation dates, March 20 and 21, 2017 were the first two consecutive dates that could be scheduled given the differing and often conflicting schedules of the many parties who will be participating in the mediation, i.e., the three law firms representing plaintiff, plaintiff herself, two Dave & Buster's senior executives, a representative from Dave & Buster's insurer, and the mediator.

This is the second request for adjournment of these deadlines; the first request was granted on September 8, 2016.
